Safety Harness

All Elements Corp.

Established in 1987, All Elements Corp. is a professional and ISO 9000, CE approved manufacturer. We have a strategic alliance with suppliers from China and India to meet our worldwide clients' requirement.

Product Range:

- Safety Harness
- Safety Belts
- Tow Strap For Car
- Wrench Kit
- Flash Car Safety
- LED vest
- Reflective Safety Vest
- Safety webbing
- Tow Strap
- Tie Down

Advantages:

- Reliable & Stable quality
- Effective Management
- Exceptional after-sales service
- Contract field services (OEM / ODM)

We are committed to offering our clients superb quality products with unparalleled prices. We make sure you can stay ahead of your competitors.

If you are interested in our products and services, please feel free to contact us. We would love to assist you with any specific questions about our products and services.

Safety Harness

Assembly Sling

1. Assembly Sling is the combination of 80G rigging fittings and lifting slings. It has both of their advantages and can be the alternatives of wire rope and chain rigging. It is the trend of development of sling.
2. It has higher safety factor.
3. It applies to lift goods that has special requirements.
4. It is light, durable and easy to store and remove.
5. Type: one leg, 2 legs, 3 legs and 4 legs
6. Protective sleeve of flexible complete lifting tools has early-warning function and can effectively protect the personal safety.

**Safety factor:
5:1**

Recovery Kit

Off-Road Recovery Kit PN: 19-00100

This “Recovery-In-A-Bag” winch kit includes everything you need to get you out of a pinch. The reflective Winch Dampener is the first of its kind to double as a self contained recovery kit. Integrated pockets on the inside house all of the essential gear: snatch block with grease fitting, powder coated shackles, a 15’ recovery strap, and a pair of gloves.

Heavy Duty Recovery Kit PN:19-00150

It is designed for the heaviest of tasks in recovery. This kit includes a 30K Snatch Block, a 10’ Choker Chain, a 30’ Recovery Strap, 2 3/4” alloy shackles, and a pair of leather gloves. These components are housed in a weather proof bag with removable work tray to keep everything in order.

ATV/UTV Recovery Kit PN: 19-00105

New ATV/UTV Recovery Kit includes everything that you need to push your trail blazing ATV/UTV to the limits: 2 powder coated shackles, two 1” X 8’ Straps, a snatch block, and a pair of gloves all packaged in a durable carrying case that can be strapped virtually anywhere on your rig.

Recovery Gloves PN: 30-19-G2

Mile Marker’s Recovery Gloves feature cowhide palms with SBR padding to combat your hands from cable burrs and rope burns, while a combination of synthetic leather and neoprene lines the glove allowing excellent breath ability and functional dexterity.

Recovery Kit

Heavy Duty 3/4 Shackle PN: 60-50086

Our alloy shackles. Working load limit of 4.75 tons.

Powder Coated 3/4 and 5/8 Shackle PN: 60-50134 / PN: 60-50158

Our orange powder coated shackles. Working load limit of 4.75 tons for the 3/4 inch shackles, and 3.25 tons for the 5/8 inch shackles

Heavy Duty Snatch Block 20K PN: 60-50083

Enables you to retrieve loads that are double a winch's capacity by reducing the load on the winch by half. It also facilitates winching from varying angles when straight ahead isn't the best option. The Mile Marker 20K Snatch Block is a serviceable assembly featuring a grease fitting and brass bushing for years of trouble free duty.

Industrial Snatch Block 30K PN: 60-50185

Enables you to retrieve loads that are double a winch's capacity by reducing the load on the winch by half. It also facilitates winching from varying angles when straight ahead isn't the best option. 30,000 Pound capacity.
